

Amendments to Drawings

Please replace the drawings with the replacement sheets 1 – 7, showing Figs. 1 - 6 submitted herewith in order to conform with the specification and with 37 CFR 1.84. No new matter has
5 been added.

REMARKS

This preliminary amendment is submitted to correct spelling and grammatical errors in the specification, to add headings to the specification, to replace the Abstract with a rewritten Abstract that conforms to USPTO Rules, to provide replacement drawings that conform to USPTO Rules, and to amend the claims to eliminate improper multiple dependencies and to provide better clarity and definiteness, in accordance with USPTO Rules, so as to place the claims in better condition for examination. No new matter has been added.

Entry of this preliminary amendment is respectfully requested, and an expeditious examination on the merits is earnestly solicited.

Respectfully submitted,

Date: August 31, 2006
